[loose page, from Lev]

Fenichka, the wise men say that if you receive a letter, you should answer it right away; therefore don't take offense if it's said to you...don't wait to respond, and if not I'll complain to that [? Shlishosil ?]

What does Rose write from Ekaterinoslav? How are Anyuta and Volodya? She probably knows about our correspondence. Send her hearty hello, or as you know:

I await your response.

Your, Lev

This Borovskaya is my older sister who is going to America this summer. Her husband already left and is doing pretty well for himself. And now she's going there to him. She would go with me, but she is with the kids, so she's waiting until summer. Be well. Sweet Fenichka, write during the day, then you won't feel sleepy and you'll write more.
